GERMAN TROOPS RETREAT SLOWLY

Allies Engaged in Final Effort to Turn Both Wings of Invaders.

NO LET UP IN BATTLE

Half a Dozen Towns Change Hands Four Times—Kaiser's Army Battling to Hold Railroad Lines.

Paris, October 1.—Supreme confidence prevails at military headquarters today. The battle of the Aisne is already claimed as a sweeping French victory.

There was no disguishing the jubilation among the members of General Gallieni's staff.

Paris Oct. 1—In a final effort to turn both wings of the German army now slowly retreating both on the left and the right, re-enforcements are being rushed east and west by the French military staff.

There has been no let up in the fighting at the two ends of the wavering battle line since last Friday. At all times the allies have been on the offensive. Even when forced back by sheer weight of numbers they have always returned to the assault and converted temporary defeat into permanent victory.

At half a dozen points on the left there are towns which have changed hands as many as four times in twenty-four hours.

But today it is definitely announced that in the territory north of the Somme and west of the Oise, the allies are today holding the advanced positions originally occupied by the Germans when the present battle began.

The German right, military headquarters in Paris declares today, have been shortened materially. While no details of the line are given, it is believed that the Germans are now battling desperately to maintain their hold on the railroad lines running into Belgium. They are constantly being subjected to renewed pressure as additional fresh troops are being hurled into the line.

A similar situation exists on the extreme French right. Military experts predict the end of the present battle about Sunday or Monday with complete success to the allies, in that the Germans must retreat.

GERMANY GIVEN UP ITALY

Thinks if Austria Keeps Russia Busy She Can Whip Balance.

Berlin, Oct. 1—The International News Service learns from a reliable source that Germany will make no furthur efforts to induce Italy to alter her position of neutrality. It is stated that the chief reason for this is the fact that Germany is confident that with only the assistance of Austria in keeping part of the Russian armies engaged, she will be able to emerge victorious from the present conflict.

Rumors are current again that further peace proposals are to be made to the warring powers within a very short time.

Whether these are to come from the United States or Italy it is impossible to learn.

Reports made public in Berlin from Constantinople declare that, owing to the bellicose attitude of British warships cruising near the Dardanelles, Turkey has closed this waterway.

The mammoth aeroplane, America, with which Lieutenant Porte had expected to fly across the Atlantic, was shipped to England yesterday on the steamer Mauretania, and, it is said, will be used by the British government for war service.

Rev. E. G. Chipps and his affinity, Mrs. Alice Ramsey, entered pleas of guilty in Wheeling, W. Va., and each was fined $50 and costs and sent to jail for 60 days. In the case of the minister Judge Robinson stipulated that he must spend the 60 days working on the roads.

Two hundred and fifty girls and teachers escaped in their night clothes when fire destroyed the main dormitory of the Alabama Normal College, at Livingston, Ala., early yesterday. The fire which originated in the heating department, caused $60,000 damage.

Goetsche, in command of the Danish steamer United States, which reached New York yesterday from Christiansand, said that he had picked up a wireless in the North Sea and containing the information that 36 British warships were on their way through the Cattegat to help the Russian fleet in the Baltic Sea.

Factories manufacturing big guns in Italy are working night and day to finish the supply of modern cannon which has been ordered for the army. The firms hope to be able to hasten the work to such any extent that the whole army will be provided with these cannon in a few weeks. An order has been issued to hasten the prepartion of these supply of provisions and ammunition for the troops.

A jury yesterday acquitted Mrs. Alice Seaton, accused of murdering her husband, Frederick R. Seaton, an actor, who was hot to death in their home in Bogota, N. J. on August 13. On the stand in her own defense yesterday Mrs. Seaton testified that prior to the death of her husband he forced her to become intoxicated. Her counsel in summing up today reiterated the contention of the defense that Seaton committed suicide.

Gifford Pinchot, Washington party candidate for United States Senator, was confined to his hotel in Erie, Pa., yesterday suffering from a severe attack of ptomaine poisoning. Mr. Pinchot fainted after delivering an address Tuesday night. Mrs. Pinchot, who accompanied him, spent the day visiting towns where Mr Pinchot was to speak, and explained to waiting audiences why he was not present.

Wadsworth, Jr., former speaker of the assembly had an unofficial plurality of 7,805 votes last night in the direct primary contest of Monday for the Republican nomination for U. S. Senator. His plurality up-state with 50 districts missing was 43,550. The plurality of Representative William M. Calder in the greater city was 35,745 with 42 districts missing. It was not believed that the complete returns would materially change the situation.

In addition to Thearle, Florence Hill, stenographer; E. M. Connor, salesman; Roland H. Wolf, shipping clerk, and Joseph Johnson, an electrician, were killed. John Costello, an office boy, was blown through a door into an alley and may die. The explosion, it was said, might have been caused by a spark from wiring which Johnson, the missing electrician, was adjusting.

FORTIFYING THE AUSTRIAN CAPITAL

City Thrown Into State of Panic by Invasion by Russian Army.

FOUR GREAT BATTLES.

Six Million Men Fighting—Struggle of Most Severe Character—Titanic Conflict Will Result.

Venice, Oct. 1—Work of fortifying Vienna is proceeding rapidly. Advice received here declared that the Austrians have been thrown into a state of panic by the invasion of Hungary by the Russian army.

An attack upon the capital is feared and strong entrenchments are being thrown up.

Vienna (via Rome), Oct 1—Four gigantic battles and two fort bombardments involving fully 6,000,000 men are in progress in the eastern theater of war today.

General Rennenkampf, with 1,000,000 Russian first line troops, is endeavoring to resist the efforts of General von Hindenberg's army to cross the Niemen river between Drusskeniri and Grodne. The fighting along this line is of the most severe character. Up to the present it has been impossible for the Germans to break through.

Another German army is engaged with 500,000 Russians in the big pine forest of Augustowo, which is twenty-four miles long and thirty-five broad and is filled with small lakes and a canal that connects the Niemen and the Vistula. This German army was driven from the village of Augustown and is now being used to protect Hindenburg's flank and rear.

At no point has there been any decisive results and it will be several days before the fighting will reach a crisis.

The great Russian central army, under the direct command of the commander-in-chief, Grand Duke Nicholas, is made up of 1,000,000 fresh troops who have been mobilized in Russian Poland to move against the main German army which has been feverishly fortifying the entire line of the Silesian frontier.

This force was today reported in contact with the German advance guard, which has been pushed forward to protect the lines of communication to Cracow. This fight, now little more than a skirmish, is expected to develop into the greatest battle of the war in the east, as the German troops engaged are those who were withdrawn from the west to try to stop the Russian advance.

Due to an oversight it was announced in last evening's issue of the Gazette that an entertainment would be given by the boys of the Sunday School in Christ Church Parish Hall last night at 7:30 o'clock. The announcement should have read to take place this evening.

The boys have been rehearsing for some time past, and have arranged a program worthy of the most liberal patronage. There will be a small charge of admission and during the course of the entertainment refreshments will be served.

Turn out this evening and hear the boys. You wont be disappointed. Dont forget tonight at 7:30 o'clock at Christ Church Parish Hall.

REFUGEES KILLED

German Shells Fall Into Railway Station

London, Oct. 1—The Post correspondent at Ghent telegraphing regarding the attack on the outer forts there says:

"The bombardment of our outer forts which developed Tuesday had a lamentable result at Duffel, ten miles south of Antwerp, where a crowd of refugees were at the station awaiting a train in which to leave the shell area. Twenty German shells fell into the station and the crowd of refugees men women and children were almost annihilated.

"An armored train, with engineers and soldiers, advanced near Duffel and did great execution among the German outposts.

"The position now shows clearly that the Germans contemplate a heavy artillery attack on Antwerp probably as a means to extort from the government an armistice so as to release the German army now covering the fortress. Their plan probably will be to use siege artillery."

IRISH NOT UNITED

Reported in Dublin Papers That the Nationalists are Refusing to Fight the Germans.

New York, Oct. 1—That Ireland is far from united to the extent that utterances of the Ulster and Nationalists leaders would indicate in their pledges of support to the empire in the war with Germany, is indicated by Irish papers which have reached New York.

The British censorship has prevented the fact being cabled to America, but the Irish papers say parts of Ireland are being placarded with seditious posters, and that attempts to persuade the Irish to enlist have failed.

The Irish Times asserts that only 18,000 Irishmen have joined the colors, of whom 12,000 are Ulsterites. Nationalists Irishmen are refusing to fight the Germans, the paper states. Posters have been put up in Dublin reading.

"Kitchener's whine.

"He is disappointed that the young men of Dublin do not join his army. Thank God they do not."

The Royal Irish Constabulary is investigating a placard posted extensively in the Dungannon district, protesting against Ireland helping the British Empire in the war.

GERMANS ATTACK ANTWERP FORTS

Invaders Using Long-Range Pieces to Demolish Fortifications.

MOUNT SIEGE GUNS.

Kaiser's Troops Move Slowly, Belgians Having Destroyed Culverts and Blocked the Highways.

Antwerp, via The Hague, Oct. 1.—The Germans continue their bombardment of the outer line of the Antwerp forts. They are using their long range heavy artillery for this purpose.

Aviators, who returned today from reconnoitering over the German lines, report that companies of the German engineers are apparently constructing concrete bases at a number of points. These, it is believed, will be used to mount the big siege guns which are now being rushed westward from Liege, drawn by traction engines.

The progress of bringing up these guns is very slow. Every culvert along the roads has been destroyed by the Belgians during the last few weeks. In addition, wherever possible, the highways have been cut and blocked so that the engineers must build roads in front of their tractors.

PEANUTS DOLLAR A BUSHEL

Farmers of Halifax County Not Worried Over "Hard Times.

Scotland Neck N. C. Oct 1—With peanuts selling for one dollar per bushel the people of Scotland Neck and Halifax county, will not experience the dire calamity some of the more panic-stricken population predict. Cotton has been selling since the opening of the local market for eight and nine cents, and it has been as high as 9½ cents while it was said by those who should have known that it would hardly go above five or six cents. The market seems to be steady there being only slight variation since the opening.

Halifax county is one of the largest producers of peanuts in the State, and with this product selling at a normal price, with a probability of the price going higher, there is being developed among the people here a great deal of optimism, and they are hoping and expecting better times just ahead.

Helping to relieve the distress cotton, the buy-a-bale spirit has taken possession of the Scotland Neck people, and every man who can possibly do so is buying him a bale. All up and down the streets one sees dotted here and there a bale of cotton purchased at ten cents.

Some of the merchants throughout the county are taking distress cotton on account at ten cents, and have announced that they will take all they can get in that way. As yet none of the Scotland Neck merchants have done so, but they will yet fall in line Because they can't afford to do less for their customers than their neighbors, and they are just as willing to assist as any merchant elsewhere.

Tonight at 7:30 at Christ Church Parish Hall, an entertainment will be given by the boys of the Sunday School. Admission will be both on Columbus and Washington Streets. Refreshments will be served. TICKETS 15c

KILLED BY INSANE NEGRO.

Business Manager of Shreveport Times Shot to Death.

Shreveport, Oct. 1 —Robert M. Denholme, business manager of the Shreveport Times, was killed at the office of the paper early last night by a negro, Albert Hectar, who evidently was insane, Hectar, was shot by a policeman, who followed him into the office with the intention of placing him under arrest.

Before visiting the Times office, the negro armed with a revolver, held up the clerks in a hardware store while he secured another pistol and a supply of ammunition. Flourishing his weapons as he entered the newspaper office, he forced the clerks to stand at bay while he made demands that a rambling statement he had prepared be published. After trying to pacify the man, Denholme moved toward his private office and the negro opened fire, killing him.

Denholme was formerly employed in New Orleans and Savannah, Ga. and previously was connected with papers in Tennesseee and Missouri.

DELEGATE MARRIED.

Romance in Connection with U. D. C. Convention.

Roanoke, Va. Oct. 1—Cupid was kept busy while the nineteenth annual convention of the Virginia Division, United Daughters of the Confederacy, was being held in Bristol last week, when scores of the delegates were not suspecting that a romance was about to culminate in a happy marriage.

Mrs. Lucille Williams Mann, of Pearisburg, Giles county, the prospective bride, did not desire that the delegates should know of the romantic affair until after the convention adjourned. Meanwhile, John P. Snidow, of Pembroke, Giles county, the prospective bridegroom, went to Bristol.

The marriage took place Saturday in the home of Major and Mrs. A. D. Reynolds, the Rev. C. C. Carson pastor of First Presbyterian church Bristol, officiating. Mr. and Mrs. Snidow are now spending their honeymoon in Southern cities.

The bride will probably receive numerous felicitations when she attends the next convention of the Daughters of the Confederacy which meeting is to be held in Danville.

VILLA-CARRANZA PEACE MOVEMENT

Conference to be Held at Zacatecas Today in Interest of Peace.

TO SEEK ARMISTICE.

Will Result in Retirement of "First Chief" and the Installation of a Provisional President.

Washington, Oct. 1.—If the Villa-Carranza "peace" conference to be held today at Zacatecas is unable to bring an immediate settlement of their dispute, constitutionalists in the capital declare that Carranza will seek an armistice.

Great confidence that the Zacatecas conference will result in the retirement of Carranza as "first chief," and an agreement to make Fernanda Iglesias Calderon provisional president, was expressed today in diplomatic, official, and constitutional circles.

State department advices reported the arrival at Zacatecas of General Villa and staff for the peace parleys with Carranza's committee. A joint statement issued before the opening of the preliminary meeting, expressing the hope that a full settlement could be reached without further bloodshed, encouraged officials here in the belief that the differences between Carranza and Villa will be peacefully composed.

Advices received by the constitutionalist agency here declared that Carranza would submit his resignation as "first chief" to the convention of leaders at Mexico City today, without waiting the outcome of the Zacatecas peace conference.

CLOSE WATCH ON TURKEY

Two U. S. Cruisers Within Close Touch of Her Waters.

Washington Oct 1—So far as officials here know, Turkey will carry into effect its announced intention to abrogate all capitulations granting extra territorial rights to foreigners in Turkey today. Secretary Bryan said the Porte had received, in friendly spirit, the notification that the United States would reserve the right of future discussion of Turkey action, but had not indicated a postponement of the operation of the decree.

A close watch will be kept over the manner in which Turkey exercises the new full sovereignity over her dominions.

The cruiser Tennessee, now at Falmouth, England, is already under orders to proceed to Brindisi, Italy, not far from Turkish waters. The cruiser North Carolina already is on a station near Turkish waters, making her base at Alexandria Egypt.

Well-Known and Popular Alexandrian Passes Away at Early Hour this Morning.

James T. Patterson, fifty-five years old, died shortly after 7 o'clock this morning, at his home, 120 north Royal street, after a long illness.

For many years he was associated with the late James Patterson in the livery business and subsequently a grocery store at the southwest corner of Wolfe and Royal streets. Later he was a member of the police force. Subsequently he was manager of the Elks' Club, and up to the time of his death was engaged in the cafe business. GERMAN THEORY OF DIVINE RIGHT.

That the monarchistic theory of Divine Right is being preached in Germany by the clergy as well as His Majesty is shown by the report of a sermon preached in Dordmund recently.

The German preacher took his text from the second chapter of Deuteronomy, to show that in the present struggle Germany is carrying out the Divine command given to the Children of Israel in their forty years of wandering under Moses. The twenty-fourth verse says, "Rise ye up, take your journey and pass over the river Arnon; behold, I have given into thine hand Sihon the Amorite, King of Heshbon, and his land; begin to possess it, and contend with him in battle."

The chapter then recounts that messengers of peace were sent to Sihon, saying, "Let me pass through thy land; I will go along by the highway, I will neither turn into the right hand nor to the left. Thou shalt sell me meat for money, that I may eat only I will pass through on my feet."

It is then recounted that Sihon refused to do this and a battle ensued. The result of the battle is told in the thirty-fourth and thirty-fifth verses: "And we took all his cities at that time and utterly destroyed the men, and the women, and the little ones, of every city we left none to remain:

"Only the cattle we took for a prey unto ourselves, and the spoil of the cities which we took."

From this chapter of the Bible, the German preacher pronounced the German army as being justified in its invasion of Belgium and devastating that country."

TODAY'S WAR NEWS.

While but little official intelligence can be obtained from the allies or the Germans, there is every reason to believe that the terrific engagement which has been in progress during the last three weeks, is reaching a crisis. German prisoners who have been conducted to the allies' camp show the effects of the terrible experience through which they have passed.

While the Germans are barely standing before the terrible assaults to which they are being subjected, the allies are gradually gaining ground.

Today's dispatches make it evident that the Kaiser is using all his strength to maintain his hold upon the railroads leading into Belgium. Should they be wrested from him, the condition of he invaders will be precarious.

While such conditions unsatisfactory to the Germans, exist in the west, the Russians are steadily advancing on the east, where six million men are engaged in four batles. Vienna is in a panic, and the city is being fortified as rapidly as possible.

Murders Three Then Ends Own Life.

Three persons were shot to death at Springfield, Tenn., yesterday, G. M. Babb, 64 years old, and his wife, Mrs. Synia Babb, were killed with a revolver supposedly by Owen Fisher, 41 years old, a nephew. Fisher then kiled himself. Babb was wealthy. Ill feeling ovr the settlement of an estate is thought to have led to the killing.

ON THE DRYNESS OF THE SOUTH.

The following clipping is published at the suggestion of a subscriber who takes the result of the "late unpleasantness" philosophically, although he deplores the prospect of seeing the mint beds of Virginia go to seed.

Lay the jest about the julep in the camphor-balls at last,
For the miracle has happened, and the olden days are past!
That which made Milwaukee famous does not foam in Tennessee.
And the lid in old Missouri is as tight-locked as can be:
And the comic-paper Colonel and his cronies well may sigh,
For the mint is waving gaily, and the South is going dry!

By the still-side on the hillside in Kentucky all is still,
And the only damp refreshment must be dipt up from the rill.
Nawth Ca'lina's stately ruler gives his soda-glass a shove,
And discusses local option with the So'th Ca'lina guy.
It is useless at the fountain to be winkful of the eye,
For the cocktail glass is dusty, and the South is going dry!

It is "water, water, everywhere, and not a drop to drink!"
We no longer hear the music of the mellow crystal clink.
When the Colonel, and the Major, and the Gen'ral and the Jedge
Meet to have a little nip, to give their appetites an edge;
For the egg-nog is nogless, and the rye has gone awry,
And the punch-bowl holds carnation, for the South is going dry!

All the nightcaps now have tassels and are worn upon the head!
Not the nightcaps that were taken when nobody went to bed;
And the breeze above the bluegrass is as solemn as is death,
For it bears no pungent clove-tang on its odrorific breath;
And each man can walk the chalk-line when the stars are in the sky,
For the fizz-glass now is fizzless and the South is going dry!

Lay the jest about the julep 'neath the chestnut tree at last,
For there's but one kind of moonshine, and the older days are past,
The water-wagon rumbles through the Southland on its trip.
And it helps no one to drop off to pick up the driver's whip;
For the mint-beds now are pastures, and the corkscrew hangeth high;
All is still along the still-side, and the South is going dry!

FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With Thedford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. E. Whittaker, of this place, "with sick headache, and stomach trouble.

Ten years ago a friend told me to try Thedford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught."

Thedford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

LEAGUE NEEDS $24,000.

Officers Appeal to Clergy and People to Set Aside October 12 for Thanksgiving.

Richmond, Oct. 1—In order to make up a deficiency in its war chest the Anti-Saloon League of Virginia through its officers, has issued an appeal to the clergy and people of the State to have the second Sunday in the month or October 12, set aside as a day of thanksgiving for the recent victory at the polls, and on that day have a thanksgiving offering to raise the sum of $24,000 necessary to meet outstanding obligations. The appeal is made by the executive committeee, through J. W. Hough, president and J. D. McAlister, secretary.

In a circular which is being mailed out, the Anti-Saloon League announces that its expenses since the last convention have amounted to $72,500, of which $48,500 has already been contributed by the people of the State. This large sum was spent on the tons of literature sent to voters, work incident to the passage of the enabling act, in securing the signatures to petitions for the election and for speakers.

DESTRUCTIVE FIRE.

Suffolk, Va. Oct. 1 —A twelve thousand dollar fire loss occurred yesterday morning at 2 o'clock at Whaleyville, Va., not far from suffolk, when the general merchandise store of Brothers&Brothers, the office of the Jackson Brothers Lumber company, and a stable owned by George B. Robinson were destroyed, the loss being total. Strenuous work on the part of the village fire brigade saved adjoining buildings.

The General says:

When we began our career in the manufacture of roofing, we were only a modest little organization in a big competitive field. Today we manufacture a much greater quantity of ready-to-lay roofings and a much greater tonnage of building papers than any competitor in the world. This remarkable growth is the result of the universal satisfaction given by

Certain-teed

Quality Cert-i-fied **Roofing** Durability Guaran-teed

—the roofing that has become recognized as superior to all others in quality and durability.

Certain-teed Roofing is guaranteed 5 years for 1-ply, 10 years for 2-ply, and 15 years for 3-ply, and this guarantee is backed by the assets of our three big mills.

COMPETITION.

The Kind That Wins.

In fair competition lies the true sport of good business. There is no calling, no profession, or occupation, equal to it for absorbing interest and endless succession of exciting incident. But it should be that kind of a healthy competition and friendly rivalry that does not strain neighborly relations. On the contrary, it should tend to bring those men together who are engaged in a similar business for the purpose of free discussion and publicity of opinion.

Unfortunately, this does not often occur. Men engaged in a like business sometimes get too friendly, combine their interests, and form a combination, contrary to the laws of the realm.

Others enter into a bitter personal conflict with each other, endeavoring with might and main to throw ignominy upon and disrespect for the house of their competitors and their goods.

The intensity of the competitive struggle is subject to a great deal of variation. At times it may be characterized as cut-throat, where the slashing of prices has for its object the elimination of one or more of the contestants. Each competitor is confronted by the ever-present threat that if his service is poor, or the quality of his goods is not up to the standard, some other house of business will outstrip him. But the house that considers service, high quality and no more than a fair profit as the paramount factors in business, is the one that in the long run is sure to win.

Certain-teed Roofing is the highest quality possible to make. It is for sale by dealers everywhere at reasonable prices.

BALANCE IN TREASURY

Total Receipts for State this Year Will Reach Sum of $7,800,000

Richmond, Va., Oct. 1—When the fiscal year for the State ended last night it will find a cash balance in the State treasury, to the credit of the State and unappropriated, of more than $400,000. This is a slight increase over the balance for the same time last year.

Auditor Moore says the indications are that the revenues from all sources for the year would exceed those of last year by some $300,000, the total collection being close to $7,800,000

Auditor Moore has worked hard and has been given the cordial support of the treasurers in most of the counties and cities. He says that but for the splendid services of the treasurers he would not be able to make the excellent showing announced above.

TEMPERANCE UNION.

State Organization Re-elects Old Officers Yesterday.

Newport News, Va. Oct. 1—All officers of the State Women's Christian Temperance Union in annual session here yesterday, were re-elected for the ensuing year.

Yesterday's program was featured by a sight-seeing trip to Old Point and other points of interest, the young people's grand gold medal contest and an address by Mrs. James Cannon, wife of Rev. James Cannon, Jr., of the Anti-Saloon league.

Joseph Inman, of Southampton county, was declared winner of the oratorical contest over seven other participants. Featuring last night's program was the singing of boys and girls dressed in the regalia used during the campaign for Statewide prohibition.

There are 199 voting delegates attending the convention, according to the official report of the credential committee. That number, it is said, is the largest that ever attended any State convention.

The convention closes tonight.

The officers re-elected are: President, Mrs. Howard Hodge, of Lincoln; vice-president and corresponding secretary, Mrs. Lillian A. Shepherd, of Norfolk; recording secretary Mrs. Faith Thomas Parrott, of Martinsville; treasurer, Mrs. Effie B. Clements, of Centralia.

LITTLE BOY KILLED.

Norfolk, Oct. 1.—Elijah Boush, 7 year old son of Mr. and Mrs. William Boush, who live on a houseboat in the Eastern Branch of the Elizabeth river, was instantly killed yesterday afternoon when he was struck and run over by car 2178 of the Chesterfield Heights division of the Virginia Railway and Power Company. The accident occured on East Brambleton avenue near the Ohio Creek bridge and within sight of the houseboat in which his parents live. The little fellow is said to have been playing along the shore of Ohio creek and started for an embankment on the opposite side of the car tracks and running from the rear of a wagon going west darted directly in front of the street car bound east on Brambleton avenue. Three wheels of the car ran over the boy's body cutting it in half, the body resting between the two rear wheels of the car when it was brought to a standstill.
